Dear Friends at Rivermont,

We would like to thank you for the gift of \$300 you gave last month. We appreciate you all there at Rivermont so very much. Thank you for your faithful prayers and support.

We are still in the process of trying to get Gerald's visa renewed. We are having a lot more trouble than we thought we would when he lost it during covid lockdowns. We would appreciate prayers in this. Pray that if it is the Lord's will for us we would be able to get this done.

Also we would appreciate prayers for our children and grandchildren in the jungle. Andrew is in Jalulusiteli holding down the base for us. There has been a lot of sickness there and several babies have died. It has been especially difficult as he has run out of medicine to treat people. I know he would appreciate your prayers also.

Thank you once again for your prayers and financial gift.

Your co-workers in Christ.  
Gerald and Susan Lee
