Nikki's Notes

A top goal of mine this term was being able to host and teach a ladies' meeting for the church ladies here in Memot. The Lord opened the door for that to happen on International Women's Day in March. I feel so honored that He would allow me this opportunity and that it went so incredibly well. It was such an enjoyable time of fellowship and many of the ladies voiced how much they appreciated having that time to be together and go through Scripture with one another. That same week I had several of the ladies return to me saying they were already able to apply things they had learned in the lesson and that it was a help to them. Praise the Lord for how He is working in their lives.

Faithful Friends, Family, and Supporters,

Resurrection Sunday is one of our favorite days of the year, as we celebrate Jesus' victory and life. The Lord really blessed our Easter service this year with several families of visitors, as well as Khak and his family, who traveled in from their home 60 kilometers away. Another recent special opportunity came during the Cambodian New Year celebrations in mid-April. The whole church went to a local creekside tourist area and had our first-ever church picnic. Despite the extreme heat this time of year, everyone had a wonderful time, and we were especially excited for the chance to preach the gospel to a number of lost family members who attended as well.

It has been 5 years since we returned to Cambodia since our last full furlough, and it has been even longer since we met many of you in person. We are excited to announce that we are planning a furlough for 2025! Our plan is to be in the US from January through October and we would love to see as many of you as possible. If you would like to have us at your church to update you on the work in Cambodia, please send an email (address below) and we will do our best to work you into the schedule.

Currently, we are working with a committed group of believers in the church, a group of folks who have professed Christ but are hesitant about taking the next step, and a number of people who seem to be on the cusp of trusting Christ but haven't decided yet. Please pray that we will be able to help and encourage all of these dear ones to take the next step in following Jesus.

For His Name's Sake,
The Brown Family
