# Keep On Keeping On

We are so thankful to be propelled forward by your love, prayers, and support as we continue this journey of world missions in Poland. We are excited to share with you some of the details of the past few months as we reflect on how God is working around us.

These past few months have felt like a blur. Is it just me or does time feel speed up the older you get? We have been so thankful to feel like with the church, that you are with us in this mission as we all have the privilege to know our amazing King Jesus! This verse (below) encourages me to "keep on keeping on" - but even more, I am reminded that we serve a risen Savior Who has already run the difficult race in our place and has given us the victory. Let us strive forward together with the light of the gospel! We love and miss you and are so thankful for your love, many prayers, and support!

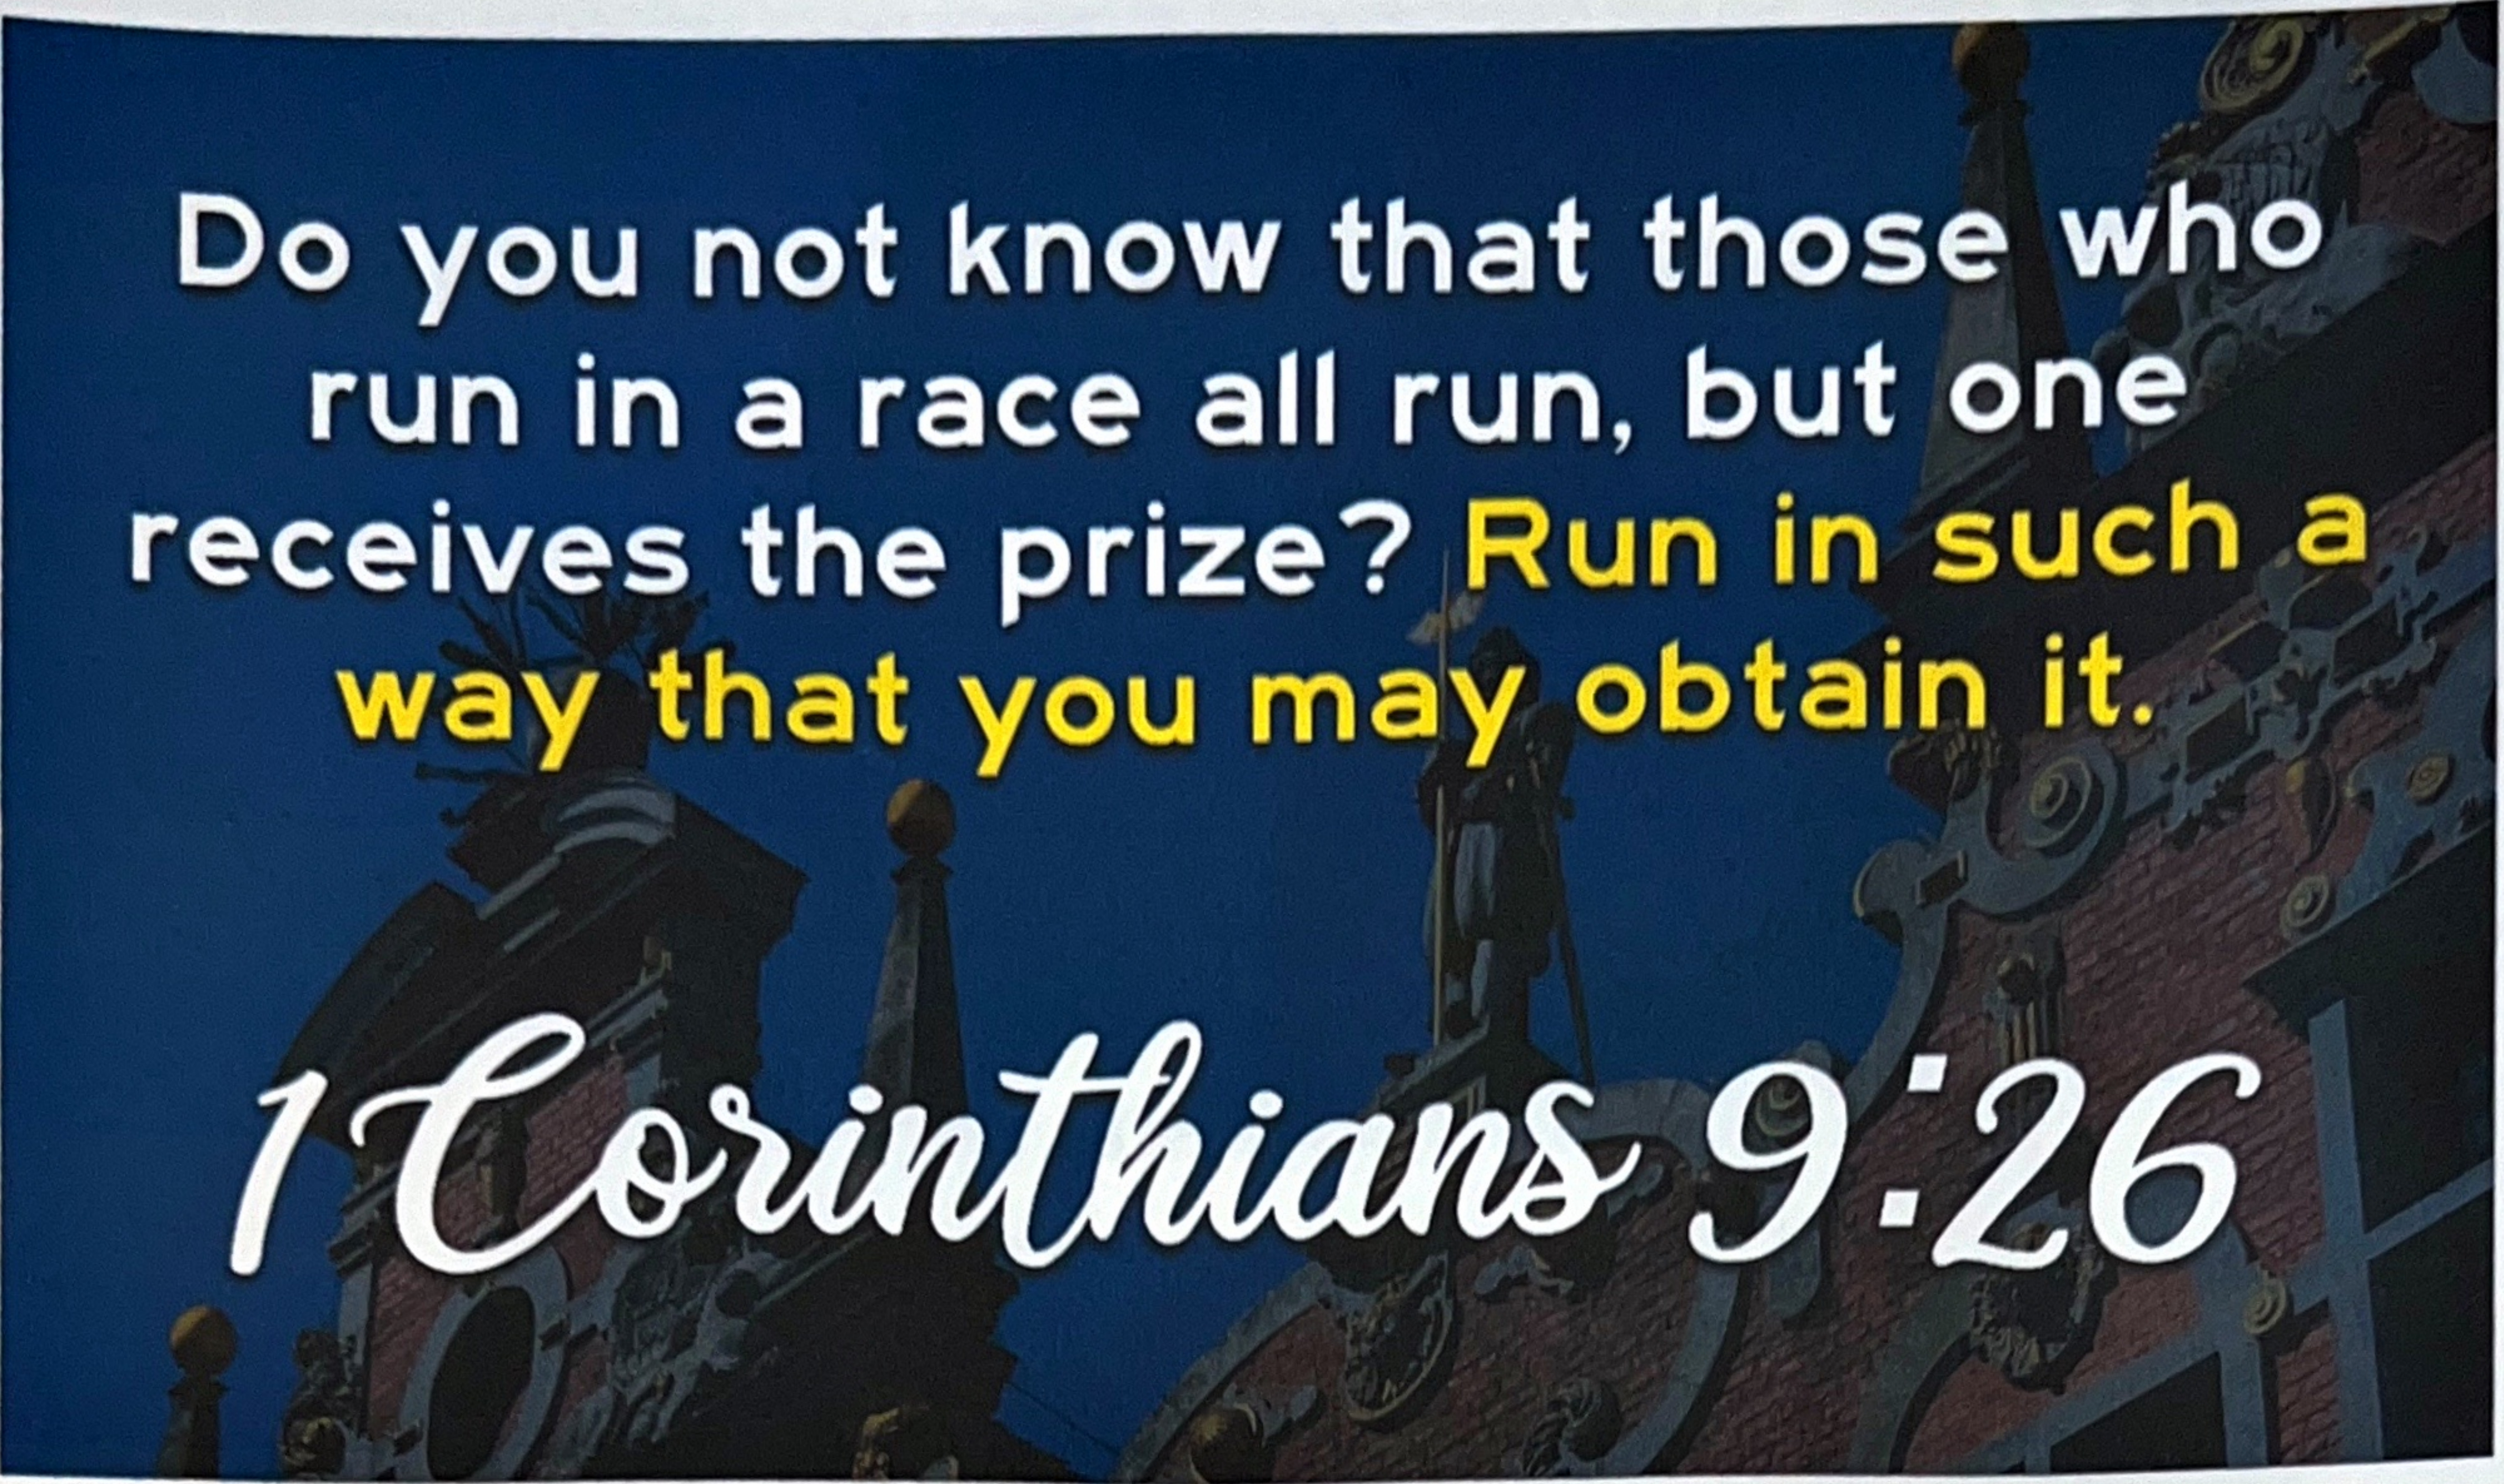

**“...Run in such a way that you may obtain it.”**

These past few months have felt like a blur. Is it just me or does time feel sped up the older you get? We have been so thankful to feel like we have a family rhythm - finally. We remain faithful in our language study and pray for more opportunities to interact with our Polish neighbors, especially with the gospel. We are continuing our efforts with the church plant in Tczew and prayerfully searching for a pastor to continue this work. We are growing closer as a family, especially during the difficult days when culture, language, or homesickness seem to be too much. As we gather together for our family bedtime prayer, we remember that you are with us in this mission as we all have the privilege to follow our amazing King Jesus! This verse [below] encourages me to “keep on keeping on” - but even more, I am reminded that we serve a risen Savior Who has already run the difficult race in our place and has given us the victory. Let us strive forward together with the light of the gospel! We love and miss you and are so thankful for your love, many prayers, and support!

Do you not know that those who  
run in a race all run, but one  
receives the prize? **Run in such a  
way that you may obtain it.**

*1 Corinthians 9:26*

*We're grateful to bring you along on  
this journey!*
