

## Welcome

Dear Friends,

Welcome to Rivermont! It is a joy to have you with us!

Today, let us reflect on the Great Commission where Jesus calls every believer to share the transformative message of His redeeming love and grace for all who believe by faith in Him. This call is not just for a select few but for every believer, including you. Together, we can make a meaningful impact for all eternity with our families, neighborhoods, and beyond. Let us be encouraged and inspired to live out the Great Commission in our daily lives.

This morning, we are looking in the four Gospel records and the Book of Acts as we consider this subject – “The Great Commission.” Thank you again for choosing to worship with us today and may God bless you abundantly!

Love in Christ,

Dear Friends, Prayer Partners, and Faithful Supporters,

Hard to believe that this is the first day of April... This year I think is flying by quicker than last year did! We are excited as the barge that is bringing up our new generator. Yes, our new generator is soon to be heading up this way. Hopefully, tomorrow he will be leaving the port of Samariapo! He said it will take him six days. Please, be praying with us that he will get off tomorrow and that he won't have any problems on the trip and will make it safely up here. We serve an awesome God!

We have been going through trials of many kinds here lately, and yet God has faithfully carried us through, each and every one! He will not fail us now. Although, we realize that He may close this door for us to keep working here. He may be saying that He now has something else for us to do, and if He does this, then we know that He will go with us, carrying us, and it will be good.

God filled this earth with treasures and now that has been found nearby. Those that are greedy, are wanting to come in. Most of the village is standing against this, but there is a group that is open to it, wanting to bring in the machines, even though they have witnessed the devastation that happens to the land and the water, not to mention the wildlife. So, even though at this time, with a lot of uncertainty in front of us, we keep our eyes focused on Jesus. He knows exactly what is going on and He is the one who is allowing this, so we rest in Him.

Thank you so much for the many prayers that go up for us! Please don't stop! And also, for the support you all faithfully give! You all will never know how much your gifts have helped to sustain us, and how so often you are the answer to our prayers!

Partnering with you all,  
 Sharon and Faith Dawson
