

## Welcome

Dear Friends,  
Happy Father's Day! We're so glad you've joined us today at Rivermont Baptist Church! Whether this is your first time with us or you've been part of our church family for years, we pray you feel the love, grace, and presence of God in a powerful way.

Today's message is titled "The Story of the Wonderful Father," drawn from Luke 15. Often called the story of the prodigal son, this story is, at its heart, a beautiful picture of our Heavenly Father's compassion, patience, and everlasting love. As we reflect on the father's response, may we be reminded of God's gracious mercy and His open arms with which He desires to receive us all. No matter where you are on your life's journey, God the Father is running to meet you.

Thank you again for choosing to worship with us today and may God bless you abundantly!

Love in Christ,  
*Pastor Justin Dove*

Dear Friends, Prayer Partners, and Faithful Supporters,

Just a short note to bring you up to date on where we are with our travels. God continues to bless in amazing ways. I know many of you all were concerned that we were not getting the needed down time while back here. We are happy to let you know that during our time in Ludington, a friend loaned us his cabin on the beach and we spent 4 days doing absolutely nothing except sleeping. So thanks for your prayers! We are refreshed.

We drove to just north of Indianapolis and met up with Dennis and Linda. they are missionaries working with audio and video. Dennis is the friend who I send our recordings that we do for the torches. I think I have mentioned this, but recording in a Yanomamö village is never quiet. There are macaw parrots squawking, dogs barking, sometimes ladies fussing, kids playing and this last time, the locust were out in full voice but Dennis has been able to clean these files up for us. We had a wonderful visit with them.

Please continue to pray for us. For safety as we travel, both by road and air. Looking at our dwindling time back here, sad to say, we are having to face the fact that there is just no way we can get around to all of our partners. I do apologize. Please know it is not that we don't want to. I would like to offer however, if any of you all would like to do a zoom call, face time or anything else we could do, we would love to meet with you all that way. I know, it is not as good as in person, especially as you all always make such delicious meals for us, which we can't do via zoom, but I do feel it would be better than nothing. Please let me know if anything like this might work. My phone # is 603-851-1576

Thanks again you all! We are honored to have you all as our partners!
