

Welcome

Dear Friends,

Welcome! I am delighted this morning to see visitors, students, teachers, families, and church family! As a new school year begins, we gather today to encourage and pray for our youth and school workers. Whether you're heading into elementary school, high school, college, or a new season of growth, I believe God has great things in store for you!

In today's Back-to-School Sunday service, we will meditate on the principle and great truth of "The Second Mile" found in Matthew 5 verse 41. Our theme is "Second Mile Students" – doing more than just what's expected and going above and beyond with a heart full of desire for Christ. In school, at home, and on the field – let your walk reflect the light of Jesus.

Students, as you step into your classrooms and hallways, remember that the second mile is where leaders are shaped, testimonies are strengthened, and ultimately God is glorified. May today's service ignite our desire to go further for His glory this school year and beyond.

Love in Christ,
Pastor Justin Dove

Dear Friends, Prayer Partners, and Faithful Supporters,

We praise the Lord that things are progressing well with the ministry here in Zambia. The church in Makeni is steadily growing, and we just finished a new membership class with a number of people who should be joining as members in the coming weeks. The church and school in Kanyama is becoming stronger, and we thank God for that.

Several Sundays ago, a young man visited the church in Kanyama. He was in town because he was planning to get married the following week before moving with his new wife back to his home village. We praise God that while with us that Sunday, the Holy Spirit convicted him of his sin and gloriously saved his soul. We also had a group of ladies visit us from East Tennessee. While here, they faithfully helped in our Christian school, teaching the children the Word of God. We, Pastor Elliot and Pastor Laston praise the Lord that four children that week received Jesus as their Savior.

Another praise I want to give is for God protecting one of our faithful men. Bro. Stephen attends our church and Bible Institute and recently cut his wrist badly on accident while working. He bled very much and very easily could have died. We thank God that he was able to get medical care in time, and we are hopeful that he will regain movement and feeling in all of his fingers and thumb.

Also pray for Zambia right now. The former President passed away in South Africa several weeks ago. The current government wants to bring the body back to Zambia and bury him where all the other former presidents are buried. There is a legal fight going on between the government and family concerning the body. This whole situation does have the potential to cause unrest; so please keep this a matter of prayer.

Thank you for your love and support in spreading the gospel at home and abroad. May the Lord bless you!

Lifting Up Jesus, Justin Saude
