

## Welcome

Dear Friends,

We joyfully welcome you this morning to Rivermont Baptist Church! We are so grateful you have joined us – whether a first-time guest, faithful friend, or church family. May we all have tender and obedient hearts to hear and be strengthened by the living Word of God.

Today I will begin a Sunday morning sermon series as the Lord directs for the next few weeks in the Book of Hosea. This morning our Scripture text will be in Hosea chapter 4 titled “Hear the word of the LORD.” May today’s message remind all of us of the great need for His truth, His mercy, and the intimate knowledge of God in every one of our lives and in our land.

May each of us have firmly settled in our heart a relationship with Christ as our personal Savior, seek His presence and sweet fellowship, rejoice and praise Him for His goodness, and yield our lives always to the transforming power of His Word. God bless all of you!

Love in Christ,

## Missionary of the Week

The Sauder  
 Family

Zambia,  
 Africa

Dear Friends, Prayer Partners, and Faithful Supporters,

We praise the Lord that things are progressing well with the ministry here in Zambia. The church in Makeni is steadily growing, and we just finished a new membership class with a number of people who should be joining as members in the coming weeks. The church and school in Kanyama is becoming stronger, and we thank God for that.

Several Sundays ago, a young man visited the church in Kanyama. He was in town because he was planning to get married the following week before moving with his new wife back to his home village. We praise God that while with us that Sunday, the Holy Spirit convicted him of his sin and gloriously saved his soul. We also had a group of ladies visit us from East Tennessee. While here, they faithfully helped in our Christian school, teaching the children the Word of God. We, Pastor Elliot and Pastor Laston praise the Lord that four children that week received Jesus as their Savior.

Another praise I want to give is for God protecting one of our faithful men. Bro. Stephen attends our church and Bible Institute and recently cut his wrist badly on accident while working. He bled very much and very easily could have died. We thank God that he was able to get medical care in time, and we are hopeful that he will regain movement and feeling in all of his fingers and thumb.

Also pray for Zambia right now. The former President passed away in South Africa several weeks ago. The current government wants to bring the body back to Zambia and bury him where all the other former presidents are buried. There is a legal fight going on between the government and family concerning the body. This whole situation does have the potential to cause unrest; so please keep this a matter of prayer.

Thank you for your love and support in spreading the gospel at home and abroad. May the Lord bless you!

Lifting Up Jesus, Justin Saude
